CORRIGENDUM TO THE RED HERRING PROSPECTUS DATED AUGUST 26 2025

This is with reference to the Red Herring Prospectus (RHP) dated August 26th, 2025 and the advertisement dated August 27th, 2025 for the proposed Initial Public Offering (IPO) of Optivalue Tek Consulting Limited. Investors are hereby informed of the following revisions in the Issue Procedure on page 222 of RHP:

ALLOTMENT PROCEDURE

The allotment of Equity Shares to Bidders other than Individual Investors may be on proportionate basis. No Individual Investor will be allotted less than the minimum Bid Lot subject to availability of shares in Individual Investor Category and the remaining available shares, if any will be allotted on a proportionate basis. Our Company is required to receive a minimum subscription of 90% of the Issue.

Flow of Events from the closure of bidding period (T DAY) Till Allotment:

- On T Day, RTA to validate the electronic bid details with the depository records and also reconcile the final certificates received from the Sponsor Bank for UPI process and the SCBSs for ASBA and Syndicate ASBA process with the electronic bid details.
- RTA identifies cases with mismatch of account number as per bid file / Final Certificate and as per applicant's bank account linked to depository demat account and seek clarification from SCBS to identify the applications with third party account for rejection.
- Third party confirmation of applications to be completed by SCBSs on T+1 day.
- RTA prepares the list of final rejections and circulate the rejections list with Book Running Lead Manager (s)/ Company for their review/ comments.
- Post rejection, the RTA submits the basis of allotment with the Designated Stock Exchange (DSE).
- The Designated Stock Exchange (DSE), post verification approves the basis and generates drawal of lots wherever applicable, through a random number generation software.
- The RTA uploads the drawal numbers in their system and generates the final list of allottees as per process mentioned below:

Process for generating list of allottees:-

- Instruction is given by RTA in their Software System to reverse category wise all the application numbers in the ascending order and generate the bucket/batch as per the allotment ratio. For example, if the application number is 78654321 then system reverses it to 12345687 and if the ratio of allottees to applicants in a category is 2:7 then the system will create lots of 7. If the drawal of lots provided by Designated Stock Exchange (DSE) is 3 and 5 then the system will pick every 3rd and 5th application in each of the lot of the category and these applications will be allotted the shares in that category.
- In categories where there is proportionate allotment, the Registrar will prepare the proportionate working based on the oversubscription times.
- In categories where there is under subscription, the Registrar will do full allotment for all valid applications.
- On the basis of the above, the RTA will work out the allottees, partial allottees and non-allottees, prepare the fund transfer letters and advice the SCBSs to debit or unlock the respective accounts.

All other terms and conditions of the IPO remain unchanged

The changes set out above are to be read in conjunction with the RHP dated August 26, 2025 and Advertisement dated August 27, 2025 and accordingly, all references to this information in the RHP, Abridged Prospectus, GID, Application Forms stands amended pursuant to this Corrigendum. Investors should read this Corrigendum along with the RHP before making an investment decision with respect to the Offer.

Our Company is required to receive a minimum subscription of 90% of the Issue.

Flow of Events from the closure of bidding period (T DAY) Till Allotment:

- On T Day, RTA to validate the electronic bid details with the depository records and also reconcile the final certificates received from the Sponsor Bank for UPI process and the SCBSs for ASBA and Syndicate ASBA process with the electronic bid details.
- RTA identifies cases with mismatch of account number as per bid file / Final Certificate and as per applicant's bank account linked to depository demat account and seek clarification from SCBS to identify the applications with third party account for rejection.
- Third party confirmation of applications to be completed by SCBSs on T+1 day.
- RTA prepares the list of final rejections and circulate the rejections list with Book Running Lead Manager (s)/ Company for their review/ comments.
- Post rejection, the RTA submits the basis of allotment with the Designated Stock Exchange (DSE).
- The Designated Stock Exchange (DSE), post verification approves the basis and generates drawal of lots wherever applicable, through a random number generation software.
- The RTA uploads the drawal numbers in their system and generates the final list of allottees as per process mentioned below:

Process for generating list of allottees:-

- Instruction is given by RTA in their Software System to reverse category wise all the application numbers in the ascending order and generate the bucket/batch as per the allotment ratio. For example, if the application number is 78654321 then system reverses it to 12345687 and if the ratio of allottees to applicants in a category is 2:7 then the system will create lots of 7. If the drawal of lots provided by Designated Stock Exchange (DSE) is 3 and 5 then the system will pick every 3rd and 5th application in each of the lot of the category and these applications will be allotted the shares in that category.
- In categories where there is proportionate allotment, the Registrar will prepare the proportionate working based on the oversubscription times.
- In categories where there is under subscription, the Registrar will do full allotment for all valid applications.
- On the basis of the above, the RTA will work out the allottees, partial allottees and non-allottees, prepare the fund transfer letters and advice the SCBSs to debit or unlock the respective accounts.

All other terms and conditions of the IPO remain unchanged
